RESEARCH INTERESTS My areas of expertise include financial economics, insurance economics, and risk management and insurance. My research primarily involves the application of finance and economics to the analysis, pricing, and management of risk.

BIOGRAPHY I have published widely in academic and professional journals and books including *Geneva Risk and Insurance Review*, *Insurance Mathematics and Economics*, *Journal of Business*, *Journal of Finance*, *Journal of Financial Intermediation*, *Journal of Financial Services Research*, *Journal of Risk and Insurance*, *North American Actuarial Journal*, *Risk Management and Insurance Review* and *Handbook of Insurance*. I currently serve on the editorial board of *Geneva Risk and Insurance Review*, and I am a past president of the American Risk and Insurance Association and the Risk Theory Society.

I am the recipient of several prestigious academic honors, including the American Risk and Insurance Association's Robert C. Witt and Robert I. Mehr Research Awards, the American Risk and Insurance Association's Excellence in Teaching Award, the Hankamer School's Distinguished Professor Award, and Baylor University's University Research Award.
